## Meet Anna Karwowska, Our New Youth Services Manager

Anna is excited to join the Library as the new Youth Services Manager and is eager to serve the Winnetka-Northfield community. Anna previously worked at the McHenry Public Library District as the Youth Services Assistant Manager, and has many years of experience working in daycares, preschools, school libraries, and a number of public libraries. Anna is the daughter of Polish immigrants (i także mówi po polsku!) and her hobbies include reading, gardening, playing video games, and hanging out with her menagerie of pets.

### What are you reading now?

I just finished *Scratch Scratch* by Lindsay Currie on audio. In general, I'm a big fan of middle grade and YA titles. *Scratch Scratch* is on the 2023 Rebecca Caudill Award Nominee list and features a young girl named Claire who is forced to help on her father's haunted Chicago bus tour and ends up being haunted by a ghost. It's a great way to learn a little bit about Chicago history and the voice actress did a phenomenal job of making it genuinely scary!

### What would you do (for a career) if you weren't doing this?

I was really involved in theater in college and was a stage manager for four years. So that, or a YouTube gamer or Twitch streamer.

### When you have 30 minutes of free time, how do you pass the time?

I really love video games, right now I'm playing *Rune Factory 5* and have *Pokémon Violet* on preorder! I've been playing video games, particularly the Pokémon series, since *Pokémon Yellow* first came out.

### What's your secret talent that no one knows about?

I know how to sew and make and sell pet bandanas and toys.

### What is the coolest (or most important) library trend you see today?

If I had to identify the top three trends in Youth Services, it would include STEM (Science, Technology, Engineering, and Math), DEI (Diversity, Equality, and Inclusion), and SEL (Social-Emotional Learning). SEL is especially important today since so many kids missed out on socialization during COVID.

### What is the one thing you cannot resist?

I can't resist purchasing a new house plant or stuffed animal.

### Favorite food?

I'm a huge foodie and love discovering new dishes and checking out the food truck scene. If I had to pick my top three, I'd choose Chicago deep-dish pizza, sushi, and falafel. I also have a huge sweet tooth and can't say no to a Snickers.

### Graphic Novel:
