IMPACT STORIES

Branch Services

- Librarian Lisa helped a senior citizen with the printing of financial documents. The patron was excited to learn something new and feel more independent, especially when accessing her financial records. "You deserve all the praise. This is the greatest place in the world."
- Librarian Rebecca helped a patron install the BARD App (NLS Braille and Audio Reading's Download service) and Lisa created low-vision-friendly written instructions for use at home. The patron was thrilled and commented that we gave her the best assistance she "...have ever received in 50 years of visiting libraries! And you're nice too!"
- A patron appreciated our efforts to get a current print edition of <u>Rules of the Road</u>, the driver's license manual. The Secretary of State's office no longer provides print copies in English and the PDF is only available through their website, which makes it hard for people without strong tech skills to access.
- A child noticed this display of a pumpkin painted and inspired by Mo Willem's pigeon character and immediately asked his grown-up to read the story to him.
- A local preschool teacher is so inspired by our passive program ideas (coloring sheets, scavenger hunts, etc.) that she uses them at her school. *"You always have the best ideas!"*

Community Engagement

- Feedback on <u>D&D Club</u> (Washburne School): The kids who come to the after-school club had so many good things to say about it at back-to-school night! Katie, the school librarian, said she had multiple parents come find her to tell her that not only do their kids love playing D&D at school, but it's also helped them make friends!
- Feedback on <u>A Walk in the Woods</u>: This program, a continuation of Books at the Beach, led a few Winnetka residents to share that despite living on the North Shore for decades, they had never been through the woods and really enjoyed the experience! Our wonderful partnership with the Winnetka Park District continues to allow us opportunities to share our resources while exposing patrons to new things.
- Feedback on <u>NorthShore Senior Center Wellness Fair</u>: The fair provided a great opportunity to remind people about the benefits of being a cardholder in our consortium (CCS). Since attendees came from several parts of New Trier Township, we were able to educate them on the benefits of using their card and attending programming at all area libraries instead of just their home library. We even surprised a Glenview patron—who walked up to take a photo of one of the books we had on display—by telling her she could check it out from us right there as a member of our consortium!

Youth Services

- Librarian Amber curated a Banned Books Display on the junior NF corner table, and many of our display books were checked out. We also received a compliment while on desk about the Banned Books display and available postcards, which a patron took to send off to her representatives!
- Feedback from the mom of a student who came to STEAM: "Thanks so much for doing this. She wanted to do something on her own and she had so much fun!"
- Feedback on <u>Move & Groove</u>:
 - "Hi, I'm a Grandma visiting from California to see my kids and grandkids who live nearby. I almost wasn't going to stay for your program, but I'm glad I did. I sang to all the songs since I grew up in the 70s! Thank you for a fun time! I'm thankful for libraries no matter where I'm at."
 - A Google user posted a positive review about our Move & Groove program online. Here's a link to the review: <u>Move & Groove Google Review</u>.
- A group of nannies took a staff member aside to tell them how much they appreciate the play space we've created for the littles.
- Feedback on Reader's Advisory Services: "*Miss Amber we started Wild Robot book 3 last night and we're loving it! We love this series and it's all thanks to you!*" Mom reads aloud to her two girls and has also come to love this excellent series!
- A patron came in to ask Librarian Maddy for help finding stories about adoption. Maddy was able to find a number of books for her and put them on hold. She later came back in to tell Maddy how helpful the resources were and how much she appreciated her research.

Adult Services

- Feedback for <u>CSI Shows: Fact or Fiction?</u>: "This was fascinating, I feel like I have just sat in on a college class. Thank you so much."
- Feedback for <u>Wine & Whine, With IL State Rep. Robyn Gabel & State Senator Laura Fine</u>: "The event was very enjoyable and informative. I'd never heard or seen either legislator in person, which was the main reason I attended. However, I was pleasantly surprised at how much detail Laura and Robyn used in their presentations and in answering questions. At the end of the presentation, I thanked the LWV chapter President for sponsoring the meeting. I hope the library will continue to host valuable community events like this."
- Feedback for <u>Alfred Hitchcock: Master of Suspense</u>: Very comprehensive, well-articulated and so interesting. We enjoyed it very much. Please let us know about any future events!
- Feedback for <u>Horror Trivia</u>: "We had a great time, although we came in last!!! It was a great event, would love to see another, although I'm sure they're a ton of work to put together. Thanks!!"
- Feedback for <u>There's Something Weird In Your Neighborhood</u>: "Live storytelling is a terrific artform. Bring on more storytellers!"
- Feedback for <u>Lilly Pulitzer: A Living History Portrayal by Leslie Goddard</u>: "*More Leslie Goddard programs please. Thank you for offering Zoom programs too. I'm older and prefer watching from home.*"
- Feedback for <u>Northern Chicago and the North Shore's Creepy Sites and Stories</u>: "Fantastic! Great research and information. Wonderful presenter!"

Digital Services

- Patrons attending the Squeegee Painting class said it was so fun and easy that they would like us to offer more similar programs that are craft-based instead of technology-based.
- A patron who used the Studio over several weeks to make Halloween costumes for her grandchildren brought them in to show Studio Specialist Mikayla, who had helped her with the project. She was thrilled with how they turned out and with Mikayla's words of praise for her in front of her daughter.
- Several patrons have shared very positive feedback on the new Library of Things display. They said offering these types of items is a great service to the community!
- Patron feedback on the <u>Make Your Own Halloween Earrings</u> program was outstanding, with attendees giving it an 11 out of 10 stars!

Patron Services

• Patron Services Assistant Shannon helped a patron check out her youth materials. The patron could not stop gushing over our Youth Department and the wonderful selection of children's books we offer!

Internet Access Policy

The Winnetka-Northfield Public Library District ("The District") provides unfiltered internet access as a core service for library patrons. Internet access is available throughout the District at designated public computer workstations and through "Wi-Fi" wireless access.

The internet is a vast and unregulated information network. As such, the District does not endorse any content, commentary, or viewpoint, nor confirm the accuracy, currency, or quality of any information available on the Internet.

Patrons are cautioned that the internet is not a secure medium and all transactions, files, communications, and other information provided on the Internet may be vulnerable to unauthorized access. Patrons are solely responsible for protecting their personal information while using the District's internet connections. Any data loss, breach of privacy, or damage to patron devices, equipment, or software is the sole responsibility of the patron.

Internet access is available in public areas that are shared by people of all ages, backgrounds, and sensibilities. Patrons are asked to consider this when accessing potentially controversial, offensive, or disturbing information and images.

Parents or legal guardians, not library staff, are solely responsible for deciding which Internet resources are appropriate for their own children. Children who use the Internet unsupervised may be exposed to inappropriate and disturbing information and images. Parents and guardians are encouraged to place appropriate controls or restrictions on the use of personal mobile devices that their children may use in the library, as desired.

The District requires patrons using the internet do so within the guidelines of acceptable use and in accordance with federal, state, and local law. Unacceptable uses include, but are not limited to:

- 1) Hacking
- 2) Fraud

Those engaging in repeat behaviors, or behaviors that are severely disruptive or dangerous to others, may have their library privileges limited or suspended for up to a year at the discretion of the Library Director. In the event the patron is a minor, parents will be notified of this action.

Patrons whose library privileges are limited or suspended may appeal the decision, in writing, to The Board. A hearing will be held at the next regularly scheduled Board meeting and the decision of The Board is final.
